MEMORANDUM FOR: Director of Logistics  
Director of Security

SUBJECT : Congressional Visitation Day--  
18 March 1975

1. The visitation to the Agency on the morning of 18 March by a considerable number of Freshman Congressmen proved to be a very beneficial endeavor. The sense of satisfaction enjoyed by the Congressional representatives was in no small part due to the fine arrangements made by the various Logistics and Security personnel involved. The Director has personally commented on this matter.

2. It would be appreciated if you would extend both our gratitude and our compliments to those in your Offices who, as usual, performed in the excellent fashion to which we have become accustomed. They may rightfully be proud of their contribution.

John F. Blake  
Deputy Director
